Information about you: how we use it and with whom we share it

The information you provide will be used by the University to perform a credit check.

The University uses an external company to perform the credit check on the University's behalf. Information about you will be shared with CreditSafe.

We are using information about you because we must ensure we are protecting the University against fraudulent activity and complying with our anti-money laundering and due diligence procedures.

We will hold the personal data you provided us for as long as there is a lawful basis for doing so.

We do not use profiling or automated decision-making processes. Some processes are semi-automated (such as anti-fraud data matching) but a human decision maker will always be involved before any decision is reached in relation to you.

If you have any questions, please contact
